

Non-slip agent

# COLUMBAN

## Features

- COLUMBAN gives an anti-slip effect to slippery surfaces when wet.
- Micronized asperity on the surface heightens and prevents slipping.

## Applications

- For slippery flooring materials such as granite, ceramic tile, terrazzo etc.
- For slippery flooring materials on the swimming pool side, bathroom, entrance of building, stairs, etc. (Do not Apply COLUMBAN to the polished surface of stone as the gloss might be reduced.)

## Directions

1. Mask off and protect any metals, baseboards or adjacent areas to avoid splashing, dripping, and avoid apply onto surfaces not intended to be cleaned.
2. Make sure surface is free of dirt waxes and coatings.
3. Get the surface and joints wet with water.
4. Apply COLUMBAN with brush, roller and etc. Use COLUMBAN dilute 2(two) to 5(five) times with water.
5. Allow COLUMBAN to penetrate surface for 10-20minutes then agitate with a scrub brush after prevention of slip effect to be checked.
6. Repeat this process until prevention of slip effect to be checked.

**DO NOT LEAVE COLUMBAN ON THE SURFACE LONG TIME. WILL ETCH OR CORRODE SURFACE.**

7. Rinse area well with clean water and wipe dry. Thoroughly rinse all metal surfaces with clean water.
8. Recommend to apply penetrating protection & antifouling-agent such as ARISTON, NEWTON, and CRESTON after applying COLUMBAN because of dirt sticks easily.

\* Use SOFTER to neutralize if it necessary.

**Coverage : 7~10 m<sup>2</sup>/ℓ**

## Caution

1. Read MSDS carefully and ensure that the area is well-ventilated during application.
2. Make sure **COLUMBAN** is suitable for your specific purpose conditions and applications before use. Always test in a small inconspicuous area to determine ease of use and desired results.
3. Clean and rinse towel/brush with water.
4. Do not apply **COLUMBAN** to marble, polished surface, raster tile, pearl tile etc.  
Will etch or corrode most these surfaces.
5. Will etch or corrode most metal surfaces and glass. When it stuck the surface of these materials, rinse well with clean water immediately.
6. Don't mix anything other than water.
7. When **COLUMBAN** stuck your skin, rinse well with clean water immediately.
8. When **COLUMBAN** was in eyes and the mouth accidentally, rinse well with clean water immediately. Please talk with a doctor if anxious.
9. Store **COLUMBAN** in a sealed container, in a cool place(30°C or below), keep out of the reach of children.
10. Be careful not to spill **COLUMBAN** when pounding from storage container.
11. Avoid touching the skin as much as possible when using **COLUMBAN**. Wear the eye shield, the protective glove, and the apron, etc. when you work.
12. Please use **COLUMBAN** as early as possible after opening a letter.
13. Wash your hand and gargle enough after it uses it.
14. Do not use **COLUMBAN** for any other purposes.

## Properties

Appearance: clear Liquid

PH: acid

Available Sizes: 4 Liter & 18 Liter

Storage conditions: Use within one year from when sealed off and stored below 30°C

\* **COLUMBAN** does not use raw materials containing formaldehyde at all.

\* For improvement of a product, there is a case to change contents without a notice.
