

Mold and Mildew Stain Cleaner

# KABISUKE

## Features

- **KABISUKE** is professional strength, alkaline formulated mold and mildew stain cleaner.

## Applications

- Removes mildew on woods, bathroom walls, tile joints without damage.

## Direction

1. Mask off and protect any metals, baseboards or adjacent areas to avoid splashing, dripping, and avoid apply onto surfaces not intended to be cleaned.
2. Apply **KABISUKE** with brush, roller, and mop etc. Use **KABISUKE** undiluted solution to dilute 5(five) times with water.
- \* If mold and/or mildew is very heavy, apply **KABISUKE** with brush then put paper towel and cover with plastic wrap on top. Use **KABISUKE** undiluted solution to dilute 5(five) times with water.
3. Allow 30 minutes to 1 hour to penetrate then agitate with a scrub brush.
4. Rinse area well with clean water and wipe dry. Thoroughly rinse all metal surfaces with clean water.
5. Wipe up with a clean dry towel, sponge or mop.
6. If stain is not completely gone after drying, repeat process.
7. Rinse well with clean water and wipe dry. Thoroughly rinse all metal surfaces with clean water. (Recommends rinsing more than twice.)

**Coverage : 5~10 m<sup>2</sup>/ℓ**

## Caution

1. Read MSDS carefully and ensure that the area is well-ventilated during application.
2. Make sure **KABISUKE** is suitable for your specific purpose conditions and applications before use. Always test in a small inconspicuous area to determine ease of use and desired results.
3. Clean and rinse towel/brush with water.

4. Don't mix anything other than water. **KABISUKE** reacts vigorously with acids to produce toxic chlorine dioxide and chlorine gas. Mixtures with combustibles, if allowed to dry out, are easily ignited by heat or friction and burn vigorously or may explode.
5. When **KABISUKE** stuck your skin, rinse well with clean water immediately.
6. When **KABISUKE** was in eyes and the mouth accidentally, rinse well with clean water immediately (more than 15 minutes). Please talk with a doctor if anxious.
7. Store **KABISUKE** in a sealed container, in a cool place(30°C or below), keep out of the reach of children.
8. Be careful not to spill **KABISUKE** when pounding from storage container.
9. Avoid touching the skin as much as possible when using **KABISUKE**. Wear the eye shield, the protective glove, and the apron, etc. when you work.
10. Please use **KABISUKE** as early as possible after opening a letter.
11. Wash your hand and gargle enough after it uses it.
12. Do not use **KABISUKE** for any other purposes.
